

TRAINING AND EMPLOYMENT NOTICE	NO. 20-06
	DATE February 6, 2007

TO: STATE WORKFORCE AGENCIES

FROM: CHERYL ATKINSON /s/
Administrator
Office of Workforce Security

SUBJECT: Release and Availability of *Significant Measures of State Unemployment Insurance Tax Systems*

1. **Purpose.** To announce the initial release and availability of the report: *Significant Measures of State Unemployment Insurance Tax Systems* (available for CY 2006 and CY 2005).
2. **Background.** This new report provides better information on state tax systems for state and Federal analysts and policy makers. It will be a yearly report that will replace the Experience Rating Index report.
3. **Publication Description.** This publication provides users with in-depth information on state tax systems. Tables are provided for each state, and several items are repeated on summary tables which show all states. The twenty-four variables for each state are divided into five categories: Tax Structure Description, Contribution Levels, Benefit Charging, Experience Rating, and Distributions of Wages, Benefits, and Contributions by Effective Tax Rates. A description of how to interpret the variables is included as well as a glossary which gives the definitions of each item in the report.

The report can be found on the ETA website at:
