Dear Colleague:

The dates for the 1993 Annual NAUIAB Conference are June 20-24. Mark your calendar now and plan to come to Denver, Colorado to attend. A tentative agenda is enclosed along with the conference registration form and a membership application. You should make your hotel reservations directly with the hotel.

The program has a number of topics of current U.I. and appeals interest, plus caucus and workshop opportunities for all.

Accommodations, including continental breakfast, are at Loews Giorgio Hotel. Reservations should be made by June 4, 1993. The hotel has agreed to extend the convention rates before and after the convention based on the availability of rooms. Further information about hotel reservations and discounts on airfare and transportation is on the back of this letter.

We will begin on Sunday with registration and a get-acquainted reception. There will be an outing on Tuesday, which includes a bus trip into the mountains, a narrow-gauge steam engine train ride, sightseeing in a Victorian mining town, and dinner at The Fort restaurant in the foothills of Denver. Two lunches are included in the registration fee.

There are restaurants within easy walking distance of the hotel. Free shuttle service from the hotel will take you to the Cherry Creek shopping area with its fine restaurants. The Colorado Rockies baseball team will be in town. The rest of the beautiful state of Colorado is waiting for you.

We are looking forward to seeing you, so start planning now.

Sincerely,

James L. Pflasterer  
President
