SUBPART A—APPROVAL, CERTIFICATION AND FINDINGS WITH RESPECT TO STATE LAWS AND PLANS OF OPERATION FOR NORMAL AND ADDITIONAL TAX CREDIT AND GRANT PURPOSES

§ 601.1 General. State unemployment compensation laws are approved and certified as provided in section 1603 of the Internal Revenue Code; findings are made regarding reduced rates permitted by a State law (section 1602 (a) of the Internal Revenue Code) and such laws are certified as provided in section 1602 (b) findings are made regarding the inclusion of specified provisions (section 303 (a) of the Social Security Act) in State laws approved under section 1603 (a) of the Internal Revenue Code; findings are made whether the States have accepted the provisions of the Wagner-Peyser Act and whether their plans of operation for public employment offices comply with the provisions of said Act.

Normal and additional tax credit is given to taxpayers against taxes imposed by section 1600 of the Internal Revenue Code.

Grants of funds are made to States for administration of their employment security laws if their unemployment compensation laws and their plans of operation for public employment offices meet required conditions of Federal law. (Section 1602 (b) of the Social Security Act; section 1603 (a) of the Internal Revenue Code; sections 6, 7 and 8 of the Wagner-Peyser Act.)

§ 601.2 Approval of State unemployment compensation laws. States may at their option submit their unemployment compensation laws for approval (section 1603 (a) of the Internal Revenue Code)

(a) Submission. The States submit to the Regional Director of the Bureau of Employment Security four copies of the State unemployment compensation law, properly certified by an authorized State official to be true and complete, together with a written request for approval.

(b) Review of State law. The Regional Representative reviews the State law and forwards three copies to the central office of the Bureau with his comments. The Bureau reviews the material from the central office, supplemented by section 303 (a) of the Social Security Act, section 1603 (a) of the Internal Revenue Code, or the Wagner-Peyser Act, as the case may be. If questions are raised concerning such conformity, negotiations to resolve them are undertaken with State officials. Any questions then remaining unresolved are presented to the Secretary with appropriate recommendations. If a State law is found inapplicable for public employment offices, and any amendment thereto, complies with the provisions of the Wagner-Peyser Act, the State agency is notified of the approval of the plan or the amendment as the case may require.

(c) Findings. The Secretary makes findings as provided in the cited sections of the Federal law. In the event that the Secretary is unable to make the findings required for certification for payment or for certification of the law for purposes of additional tax credit, further discussions with State officials are undertaken.

§ 601.3 Findings with respect to State laws and plans of operation. For purposes of grants, findings are made regarding the State laws and plans of operation in section 1603 (a) of the Internal Revenue Code, approved under section 1603 (a) of the Internal Revenue Code, of provisions required by section 303 (a) (1) of the Social Security Act, of the provisions of the Treasury each State the law of which he has previously approved. (See also § 601.5.)

§ 601.4 Certification for tax credit. Within 30 days after submission of a State unemployment compensation law for such purpose, the Secretary certifies to the State agency, in accordance with the provisions of section 1602 (b) (3) of the Internal Revenue Code, his findings regarding reduced rates of contributions allowable under such law. On December 31 of each taxable year the Secretary certifies to the Secretary of the Treasury the law of each State, certified with respect to such year under section 1603 of the Internal Revenue Code (see § 601.2) which he finds allows reduced rates with respect to such taxable year only in accordance with the provisions of section 1602 (a) of the Internal Revenue Code.

With regard to certification for payment, see § 601.6.

§ 601.5 Withholding payments and certifications—(a) When withheld. Payments are not made where the provisions required by section 303 (a) (a) of the Social Security Act are found no longer to be included in the State unemployment compensation law. Payments of funds to States and/or year-end certification of State laws are withheld, after reasonable notice and opportunity for hearing, in the following circumstances as required by indicated statutory provisions:

(1) Where the State unemployment compensation law has been changed so as no longer to meet the required provisions required by Federal law (sections 1602 (b) (2) and 1603 (a) of the Internal Revenue Code) or

(2) Where in the administration of the State unemployment compensation law there has been a failure to comply with required provisions of such law (section 303 (b) (2) of the Social Security Act and sections 1602 (b) (2), and 1603 (c) of the Internal Revenue Code), or

(3) Where in the administration of the State unemployment compensation law there has been a denial, in a substantial number of cases, of benefits due
under such law (section 303 (b) (1) of the Social Security Act) or

(4) Where a State fails to make its unemployment compensation records available to the Railroad Retirement Board or to any state agency charged with administering of unemployment compensation laws (section 303 (c) of the Social Security Act) or

(5) Where a State no longer has a plan of operation for public employment offices complying with the provisions of the Wagner-Peyser Act; or

(6) Where a State agency has not properly expended, in accordance with an approved plan of operation, the Federal moneys paid it for administration of its public employment service.

(b) Informal discussion. Such hearings are generally not called, however, until after a State has been warned by the Secretary of Labor and in the event of any appeal of such a decision, the case is referred to the Secretary of Labor for final decision.

(c) Notice of noncertification. If, at any time before a taxable year, the Secretary of Labor has reason to believe that a State is not providing adequate service for the unemployed, he may notify the Governor of the State to that effect (section 1603 (d) of the Internal Revenue Code).

(d) Hearings. Hearings are held pursuant to the provisions of section 303 (b) and (c) of the Social Security Act, sections 1602 (b) and (c) of the Internal Revenue Code and the Regulations of the United States Employment Service.

1. Notice of hearing is sent by the Secretary of Labor to the State employment security agency. The notice sets forth the purpose of the hearing and the time, date and place at which the hearing will be held. At a hearing the State is given an opportunity to present its arguments and all relevant evidence, written or oral. The Secretary makes the necessary determination or findings, on the basis of such hearings and notice of the Secretary’s determination or finding is sent to the State employment security agency.

STUART B.--GRANTS, ADVANCES AND AUDITS

§ 601.4 Grants for administration of unemployment insurance and employment service. Grants of funds for administration of State unemployment insurance and employment service programs are made to States under sections 302 (a) of the Social Security Act, the Wagner-Peyser Act, and the Appropriation Acts.

(a) Requests for funds. The forms and instructions used by State agencies in requesting funds are available upon request from the Bureau of Employment Security, Department of Labor, Washington 25, D. C., and at the regional offices. The forms and instructions call for detailed information for each budgetary period concerning the specific amounts requested for personal services and other current expenses of State agencies, supported by work-load and unit-cost estimates. Supplementary budget requests are processed in the same manner as regular requests. The Bureau’s representatives in the regional offices, upon request, assist the State agencies in preparing requests for funds.

(b) Processing of requests. State agencies send their requests for funds to the Regional Representative of the Secretary of Labor who forwards them to the central office of the Bureau with his recommendation as to the amounts necessary for proper and efficient administration of the State unemployment compensation law and employment service programs.

The Bureau apprises the requests and the recommendations of the regional representatives from a nation-wide point of view examining each State’s request in the light of the experience of other States to insure equitable treatment among the States in the allocation of funds made available for the administration of State unemployment compensation laws and public employment service programs.

(c) Action by Director. If the Director approves the amount of the request, the State agency is notified; and, provided the conditions precedent to grants continue during the budgetary period, certifications for payment, under the approved budget, stating the amounts, are made by the Director to the Secretary of the Treasury quarterly. Upon denial of a request, in whole or in part, the State agency is notified and the Bureau’s Regional Representative is instructed to negotiate with the State with a view to removing the basis for denial.

§ 601.7 Requests for funds for servicemen’s readjustment allowance program. Allotments of funds for the administration of the servicemen’s readjustment allowance program are made to States by the Secretary of Labor upon quarterly certification by the Administrator of Veterans’ Affairs under section 1109 (c) (2) of the Servicemen’s Readjustment Act of 1944. The certifications by the Administrator of Veterans’ Affairs are based upon requests submitted to the Veterans’ Administration by the State agencies administering unemployment insurance and employment service programs.

§ 601.8 Agreement with Postmaster General. The Secretary of Labor and the Postmaster General have been duly designated by the Secretary of Labor, (Title II of the Labor-Federal Security Agency Appropriation Act, 1950) to prescribe a mutually satisfactory procedure whereby official State employment security postal matter will be handled without the prepayment of postage. In lieu of such prepayments, the Director periodically certifies to the Secretary of the Treasury for payment to the Post Office Department the amount necessary to cover the cost of State agency mailings. The amount of payment is based on a formula agreed upon by the Secretary of Labor and the Post Office Department.

§ 601.9 Audits. As soon as practicable after the close of each budgetary period, or at other times as necessary, the books of account and records pertaining to employment security administration in each State are audited by the State Audit Branch, Division of Business Management, Bureau of Employment Security, to determine whether the expenditures have been made for purposes and in amounts found necessary by the Director for proper and efficient administration of the State’s unemployment compensation law and public employment service.

(a) If the audit, as reviewed by the regional office, results in no exceptions, the agency is advised by letter that the result is final. If the regional office concurs in exceptions taken by the examining auditor, the State agency is given an opportunity within 15 days to concur in them or to submit additional facts for purposes of clearing the exceptions. If the agency’s reply does not result in clearance of the exceptions, they are presented to the Secretary with the agency’s statement of its reasons for non-concurrency.

(b) The Secretary, upon consideration of the audit report and the agency’s reply, determines whether (1) the exceptions are properly taken and replacement of the amount involved is required, or (2) the exception should be withdrawn. In either case the State agency is notified of the action taken.
